On 11/19/2020 Magistrate Judge Jensen held a hearing on the plaintiffs' motion for a default judgment, which had been served on the defendant, but the defendant did not appear at the hearing. Based on proper service of the defendant, the entry of default, service of the default judgment motion, and the defendant's failure to appear to oppose the motion, Judge Jensen entered a Report and Recommendation that the motion for a default judgment be granted and that damages be awarded in the total amount of \$8,276.80, consisting of \$6,132.80 in unpaid contributions, late fees, and liquidated damages, and \$2,144.00 in attorneys' fees and costs.
